# Academic Search Ultimate™

The ultimate multidisciplinary research tool for scholars

With thousands of international full-text journals from North America, Africa, Asia, Oceania, Europe and Latin America, **Academic Search Ultimate** provides unparalleled regional coverage. Offering locally published content integrated with region-specific authoritative resources from all over the world, **Academic Search Ultimate** provides a comprehensive research experience for students seeking a broader, more global perspective.

# Business Source Ultimate®

The New Standard in Business Research

Providing students with a broader, more global perspective in their research, **Business Source Ultimate** allows students to track business trends and topics worldwide with thousands of international full-text journals from North America, Africa, Asia, Oceania, Europe and Latin America. With locally published content integrated with region-specific authoritative resources from all over the globe, **Business Source Ultimate** provides unparalleled coverage of regional news pertinent to business studies.

# Sociology Source Ultimate

The Essential Research Tool for Sociology Students

Hundreds of international full-text journals from North America, Africa, Asia, Oceania, Europe and Latin America bring an essential global perspective to researching the human experience. Offering locally published content integrated with region-specific authoritative resources from all over the globe, **Sociology Source Ultimate** provides unparalleled coverage of regional news pertinent to scholars studying all aspects of human behavior and interaction.

**CINAHL Plus with Full Text** includes publications from the National League for Nursing and the American Nurses Association. Many of the most popular full-text journals are available with no embargo. In addition, this resource offers access to health care books, nursing dissertations, selected conference proceedings, standards of practice, audiovisuals, book chapters and more.

**CINAHL Plus with Full Text** covers a wide range of topics including nursing, biomedicine, health sciences librarianship, alternative/complementary medicine, consumer health and 17 allied health disciplines.

**CINAHL Plus with Full Text** provides an easy-to-use interface with basic and advanced search features and searchable cited references. CINAHL Subject Headings follow the structure of the Medical Subject Headings (MeSH) used by the National Library of Medicine.

We are looking forward to meeting you online and welcome all your inquiries in the meantime.

Kind regards on behalf of the EBSCO team,
