Accessibility

Searchable, scrolling transcripts and on-screen captions

Audio described video available on-demand

Compatible with industry standard screen-readers including JAWS

Up-to-date accessibility statement with AA rating

On-Demand Audio Described Video

- **Improved accessibility**, along with our searchable, scrolling transcripts and captions
- **Enables libraries** to provide an accommodation to visually impaired students
- **First academic video platform** to have this feature

How it works:

- User requests need of audio description to library
- We add audio description at no charge, within 2 weeks
- All Academic Video Online customers will have access to the audio description once live

Q & A
